

PRODUCT CATALOG

Premium wholesale Mexican seafood, tailored to your specs.

Premium Fresh Mexican Wild-Caught Fish & Seafood

High quality. Reliable international supply chain with guaranteed cold-chain logistics.

About Us

We are a Mexican seafood company dedicated to the production and commercialization of fish and seafood from Mexico. Leveraging extensive expertise in seafood production, processing, and international logistics, we serve clients worldwide.

Premium Mexican Seafood

Our product catalog features an extensive selection of premium wild-caught fish, shellfish, crustaceans, and specialty seafood products from Mexico.

Certifications & Compliance

We operate in accordance with the applicable regulations and requirements established by:

U.S. Food & Drug Administration
Compliant.

U.S. Food & Drug Administration
Compliant.

National Oceanic & Atmospheric
Administration Standards.

Premium Wholesale Mexican Seafood, Tailored to Your Specifications

From custom harvesting and processing in Mexico to seamless cold-chain delivery across the U.S., we deliver reliable, high-quality seafood solutions designed specifically for distributors and restaurant groups.

①

Define Your Supply Requirements

Specify your preferred species, volume, cut (whole fish or fillets), and product state (fresh or frozen), sourced directly from Mexico.

②

Sourcing & Custom Processing

We harvest, hand-select, and custom-process our primary seafood products requirements.

③

Seamless Cold Chain Logistics

We manage an uninterrupted, temperature-controlled supply chain, delivering groups across the United States.
